HISTORIC DOWNTOWN DISTRICT

When riding through LaGrange, you'll pass many historic homes, restaurants, shops and more. If you're looking for extra miles after completing this loop, hop on The Thread, our community trail system, and explore more of the city!

YELLOW JACKET BEACH

Take a break at this scenic park on West Point Lake. There's a small entrance fee but it's worth it to take a dip in the lake and stretch out on the sandy beach (open in summer only). Across the road, you'll find public lake access and a dock!
